

“ORDINARY PEOPLE ON A MISSION”

March 14, 2010

Where would the church be without the little people? The people who:

- ✓ send greetings
- ✓ give encouragement
- ✓ welcome people
- ✓ say prayers

Give an example of an ordinary person you know that grew into an extraordinary person because **of their commitment to God.**

Describe a time when you judged a person to be less than what they ended up being after you got to know them. **What did you learn from this experience?** Aren't these the kinds of things that ultimately sustain churches?

Did **Jesus** live an ordinary life or an **extraordinary life** among the people?

“The books of the Bible were written to **change the lives of ordinary people**, like you and me”

Colossians 4:12

What does it mean to “**wrestle in prayer**” for someone?

Give an example of a “**lazy prayer.**”

Define greatness. What percentage of the world's population has the **stuff** the world uses to measure greatness?

Matthew 25:23

“Great churches are not built by a few great and extremely gifted people, but by ordinary people who are willing to be used in ordinary ways to serve ordinary people.”
