“Small Talk”

Part 2

October 5, 2008

Luke 6: 20-26; 46-49

- ❖ We all hunger for the deep, authentic relationships Jesus had in mind when he prayed that his followers would be one. What does LIFE group mean to me and my family?
- ❖ What does this statement mean to me: “Lives are formed and transformed in small groups when people meet together to pray, to study, to engage in fellowship, or to work on a specific task.”
- ❖ Does my LIFE Group challenge me into a deeper level of discipleship?
 - It fosters relationships
 - It offers me a spiritual setting for personal growth
 - It allows me to interact with others on a meaningful level
 - It gives me a place where I feel that my voice can be heard
 - It gives me ways of helping others in need
- ❖ Does my LIFE Group offer me a quiet time set aside for deep intimate sharing in which I can:
 - Open up
 - Listen
 - Learn
 - Share
- ❖ *What are my daily contributions to the vitality and growth our LIFE group? Does this also help my marriage and family grow stronger?*

“No one is sure why love happens, but I heard it has something to do with how you smell. That’s why perfume and deodorant are so popular.” -- Mae, age 9
